

A Blue Mountains Growers Market?

Seeking Expressions of Interest from growers / food producers

Council is currently scoping the feasibility of establishing a regular Growers Market in the Blue Mountains that will:

- provide access to fresh, healthy, locally produced food
- connect Blue Mountains community with local food producers
- reduce our community's food miles

If you would be interested in selling your fresh produce or prepared foods on a regular basis, please let us know what you would like to sell and where you are located. **Please respond by 31 July 2009.**
